7

Mandatory Condition #1: The defendant shall not commit another federal, state, or local crime.

Supporting Evidence: Adam Layton is alleged to have attempted to introduce narcotics into the Sunnyside Jail on or about June 8, 2020.

On June 8, 2020, a Sunnyside corrections officer noticed a rectangular shaped indentation on photos that were being mailed to Adam Layton. Further investigation revealed that five out of the eight photos had a sticker on the back that could be removed. The officer removed the sticker backing and noticed a rectangle marked N8, which is common for Suboxone tabs. Suboxone is an illicit controlled substance.

Mr. Layton was given a mail denial form. The officer stated Mr. Layton did not seem surprised and just wanted to know who sent it. Mr. Layton's lack of surprise would indicate Mr. Layton was aware of the incoming narcotics.

On May 15, 2019, Adam Layton signed his judgments for case number 2:14CRCR00160-TOR-1, indicating he understood all conditions ordered by the Court. Specifically, Mr. Layton was made aware by his U.S. probation officer that he must not commit another federal, state, or local crime.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
